<b>Description:</b>	PEPP ALS classes for paramedics, nurses and physicians provide education and skills training for the emergent pre-hospital care of infants and children. The two-day course includes hands-on skills stations, interactive scenarios and lectures.	The PEPP Renewal Course is a five-hour refresher of the initial provider course (ALS & BLS) to be taken prior to the expiration of the provider's card. The refresher consists of pre-course online case review as well as an on-site skills review.
